

Let's welcome the
Red Door
to our community

**Open house and celebration
October 11 from 4-7 pm**

The Red Door Family Shelter will be coming to our community for a few years while a permanent home is being built at 875 Queen Street East. This shelter serves women and families in crisis from across Toronto. It has served families in need for 34 years and now it is going through an exciting rebuilding program.

**Join us at an open house
to welcome the Red Door Family Shelter**

Tuesday, October 11, 2016
4-7 pm (speeches at 6pm)
1430 Gerrard Street East – ground floor

Refreshments will be served.

Red Door
FAMILY SHELTER

*Ending family homelessness...
one family at a time*

Two years ago the Red Door Family Shelter was faced with eviction and the community rallied to save the shelter. Now a new home is being constructed at 875 Queen Street East as part of a condo development. This plan has received City approval but a temporary home is required while construction is underway.

You can help welcome the Red Door

*Let's show what a **caring community** looks like*

Here are three things that you can do to support the Red Door's move into our community:

- 1** Please come to the community open house on October 11 from 4-7 pm and sign the welcome banner.
- 2** Donations of new or nearly new household items are welcome.
- 3** Make a financial donation to help the Red Door with its Community of Hope Campaign. Money is needed for the new home on Queen Street and the temporary home on Gerrard Street.

For more information, please visit the Red Door Family Shelter website at www.reddoorshelter.ca
